ISDA 2021 Negotiated Rulemaking

April 2021 Update

Dear Stakeholders,

As the rulemaking season approaches, we wanted to provide a roadmap as to what rulemaking will look like this year. We will have some new processes and rulemakings as a result of executive orders or legislative changes. The one constant is the importance of having your participation and involvement. We know our agency benefits from a close relationship with our programs and the needs or expectations of stakeholders.

ISDA's 2021 negotiated rulemaking will fall into two categories:

- Rules reviewed as part of the Governor's Zero-Based Regulation Executive Order, and/or
- Rules reviewed as a result of new legislation.

All notices for these negotiated rulemakings will publish in the Administrative Bulletin on April 2, 2021. The Administrative Bulletin can be found at <https://adminrules.idaho.gov/bulletin/>.

Zero-Based Rulemaking

Governor Little's Executive Order No. 2020-01 – Zero Based Regulation – directs agencies to facilitate an ongoing review process for existing rules, requiring agencies to put each rule on a five-year review schedule. This process aims to reduce the overall regulatory burden, or remain neutral, as compared to the original rule. Attached you will find the entire five-year review schedule for the agency. Specifically, for 2021, the following rules are scheduled for Zero Based Rulemaking. Notices will be published in the April Administrative Bulletin and meeting dates also are listed below. We strongly encourage all interested stakeholders to participate in these rulemaking meetings.

The format of each rulemaking meeting will be similar:

- Facilitated by the Rules Review Coordinator with ISDA staff on hand to answer technical questions and present draft language from previous discussions or as provided by law.
- Initial discussion drafts will be developed by agency staff simply as a starting point for the first meeting and drafts will reference those sections required by statute and those sections that may be out of date with the statute or other incorporated reference documents.
- If stakeholders have proposed changes or drafts they would like to submit for discussion during the meetings, they can email them to rulesinfo@isda.idaho.gov prior to the next meeting so they can be shared on screen.
- Meetings will be held via WebEx.
- As always, all rulemaking information will be posted on the ISDA website under “Laws and Rules.” Information for joining all upcoming meetings will be posted on the website.
- Agency staff will compile minutes, presented materials, and stakeholders’ recommended draft changes. This information also will be posted to the ISDA website.
- ISDA needs to have proposed rules and other supporting materials submitted to DFM in mid-July to ensure adequate time for review prior to publication in the September Bulletin, the subsequent comment period, and a final rule to be prepared for presentation for review by the 2022 Legislature.

If you have any questions or to RSVP for a meeting, please contact Lloyd Knight, ISDA’s Rules Review Coordinator at rulesinfo@isda.idaho.gov.
